

Calvary Christian School

Quality Christian education since 1991

CCS offers educational opportunities from Pre-K3 through 11th Grade and in the coming years plan to continue growing up to 12th Grade. Student-teacher ratios never exceeding 14:1 provide an exceptional environment for spiritual, academic and social development. We are grateful for the ministry opportunities that God has given us since 1991 and are excited to see how He will use us to minister to you and your family in the years to come!

There are several things that make CCS unique in Christian education. Please take a moment and read about what makes us so great!

Smaller Class Sizes

We believe that each child deserves an opportunity to have individual time with their teacher. Therefore, we are committed to keeping our class sizes under 14 students per teacher.

Curriculum

Pre-K3 through 5th Grade classes use the curriculum from Bob Jones University (BJU) and A Beka Book. Our middle and high school uses BJU for Science, Social Studies, Math and English. Our high school also uses Houghton Mifflin for English as well. The majority of our Bible curriculum is published by Positive Action for Christ.

Special Course Studies

In addition to our exceptional instruction in major academic areas, we also offer Bible, Art, Band, Chorus and Computers, as well as meet for Chapel once a week.

Extended Care

Typically, our school day does not seamlessly coincide with a parent's work day. Therefore, we offer Extended Care, which you may use as you need it.

Extended Care Hours:

Preschool: 7:30-9 a.m. & 12-5:30 p.m.

K-11th: 7:30-8:15 a.m. & 3-5:30 p.m.

Rate = \$3 per hour per child

(pro-rated if your child does not stay an entire hour)

Competitive Tuition Rates

Not only do we have the ability to offer excellent student-teacher ratios, but our tuition is more affordably priced than other Christian schools in the area. The rates listed below do not include Extended Care fees except the one in bold typeset. School enrollment fees are also not included. Please call the office for more details.

Our Mission

Our desire at Calvary Christian School is to offer an exceptional environment for the development of the students entrusted to us. We are aware of the academic standards that are present in our culture and are working diligently to surpass those expectations. In addition, we desire to be a school that aids in the social development of our students so that they are equipped to resolve various challenges that they will encounter throughout their lives. Finally, and most importantly, we take very seriously the command of Jesus Christ to make disciples. Scripturally, there is no greater need than that of sharing the saving knowledge of Jesus and teaching believers to live a life completely devoted to Him.

Calvary Christian School is a ministry
of Calvary Baptist Church.

Calvary Christian School admits students of
any race, color, and national or ethnic origin.
