SCHEDULE OF FEES, TUITION AND EXTENDED CARE

2019-2020 School Year (August-May)

Enroll early and save on enrollment fees (details below)!

TUITION PAYMENT OPTIONS

- 1) **Tuition Payment Plan:** Under the FACTS Tuition Management plan, the parent/guardian or grandparent authorizes 10 equal tuition payments to be automatically withdrawn from their bank account on the 5th or the 20th of each month beginning in August and ending in May. If a student begins school anytime after the first day, the annual tuition will be prorated based on the number of days remaining on the school calendar (from the student's start date – May). *FACTS must be set-up on the *parent/guardian's or grandparent's* bank account only.
- 2) **Fees Payment Plan:** A student is **not considered enrolled** until registration and all other fees are paid by check, cash or set up on FACTS at the time of enrollment, and all necessary paperwork has been turned in. Fees may be broken down into two separate payments, but must be fully paid by July 1st. Please bring all paperwork and banking information for FACTS to the enrollment appointment. Enrollment fees not paid by July 1st will be automatically drafted from your FACTS account on July 15th. No student may attend school until enrollment is officially completed.
- 3) **Annual Payment Plan:** Save 3% on the total tuition by paying one annual payment by August 9. An annual payment made after this date will be at the regular tuition rate.

TUITION DISCOUNTS AVAILABLE

- 1) **Active Calvary Baptist Church Member Discount** – “Active” members of Calvary Baptist Church who are also the financially responsible party for paying tuition receive a 10% discount on the total tuition for all children enrolled. “Active” means that this discount only remains in effect as long as the financially responsible church member is regularly attending and involved in the church. If church involvement ceases, the discount will cease as well, even during mid-school year.
- 2) **Multi-Child Discount** – Families with multiple “full-time” children enrolled simultaneously receive a discount on the total tuition. For Preschool, “full-time” only refers to the 5-day Program Including Extended Care. The other preschool programs are not considered “full-time”
 - Two children enrolled = 14% discount
 - Three children enrolled = 26% discount
 - Four children enrolled or more = 35% discount
